

WARNING

THIS CONTAINER HOLDS A SCHEDULED EXTINGUISHING AGENT THAT IF RELEASED INTO THE ATMOSPHERE, MAY DEplete THE OZONE LAYER OR ADD TO GLOBAL WARMING.

Technicians working on this container are required to hold a current Extinguishing Agent Handling Licence (EAHL) as issued by the Fire Protection Industry (ODS & SGG) Board (the Board).

Technicians are reminded to use the correct procedures when:

- Moving or storing this container
- Connecting this container to a gaseous fire suppression system
- Disconnecting this container from a gaseous fire suppression system

The Board recommends any accidental discharge of extinguishing agent from this container to be reported to the Board: **Call 03 8892 3131 Email ozone@fpib.com.au**
